

App. No. 09/814,415  
Amendment Dated December 28, 2005  
Reply to Office Action of September 29, 2005

### REMARKS/ARGUMENTS

Claims 1-31 are pending in this application and stand rejected by the Office Action dated December 16, 2004. The Office Action dated September 29, 2005 requested information that the Examiner believes to be reasonably necessary to properly examine the application. No new matter has been added by this response.

The Office Action dated September 29, 2005 stated that "Exhibit A" was a presentation prearranged in an office building as declared by the Declaration filed on June 16, 2005. The Examiner requested information describing the nature of the audience, and if the presentation included any member of the general public.

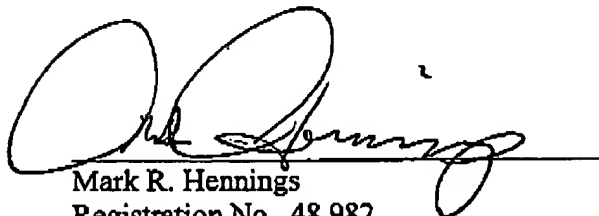

Applicants submit under 37 CFR §1.131 a Declaration by Robert G. Gilde to supply the requested information. The Declaration shows that there is no evidence the public was present at an alleged presentation concerning Exhibit A.

In view of the foregoing amendments and remarks, all pending claims are believed to be allowable and the application is in condition for allowance. Therefore, a Notice of Allowance is respectfully requested. Should the Examiner have any further issues regarding this application, the Examiner is requested to contact the undersigned attorney for the applicants at the telephone number provided below.
